Case No. 18-23538 (RRD)

11 SEARS HOLDINGS CORPORATION, ET AL.,:

12 DEBTORS.1

REQUEST FOR USBK 362 AND PROTECTIONS
CLAIMED IN CALIF LABOR BOARD CASE TO
AVOID PROSECUTION WILLFUL AND
NEGLIGENT MISREPRESENTATION

13
14 TO THE HONORABLE JUDGE Sean H. Lane,

15 Your Honor my name is Beaub Brady Lebaron I am a self-represented individual who up to mid-August had held
16 my own I-n this court with Claims that the Industrial Relation Division seemed to feel were supposed to be part of
17 this Case 18-23538

18 I have run out of hope... That I will ever get paid. That is wages that have not been paid and I am no fully with
19 the understanding that in California the Directors at the Industrial Relations division who received word from the
20 entity Buyer the Sears Holdings Corp Case 18-23538 . Transform Sr Home Improvement Products LLC is
somehow protected by an order in the is case 18-23537 .

21 I am so tired of the what I am being put through as I am and have been through this entire process been treated as
22 if I did not perform ... yet I am here and my claims are sitting in the 23 omnibus and the only issue is The debtor
objection . That would be objection to Being late to file a claim before the Bar date 4-19-19.

23 I have a request and a statement that I hope you may consider with regards to the Bar date

24 I was not aware that I would be paid as no pay from either the Debtor or the entity Buyer had been correct . To
25 compound this I was required by Both Debtor and Buyer to Attend to the appointments and one call close interior
26 projects and I did do this . I was injured and no employer paid sick pay. I was harassed by Managers who were
aware of a licensing issue that may or may not stem from the first failed bid.

27 I submit to you and request the court consider my excusable neglect for filing before 4-19-19 Bar Date
28

1 The following is my pay and I did perform and generate just as I was asked by those responsible in the office were
2 I worked

3 I need a the court to understand that I am not being given my right to submit my response requested by Judge
4 Drain and that is in part due to the fact that I am Blocked from Chambers ..

5 The Last three years the entity buyer has been allowed in California to commit fraud and escape prosecution in
6 two of three Cases filed against just the Entity Buyers division known as Transform Sr Home Improvement
7 Products LLC. Created months after the Debtor begins this case. 18-23538.

8 I am not sure at this moment if I even have the patience after what I have been through since Transform Managers
9 accused me of altering documents way back in July 12 2019. About a week later they just abused their Position as
10 managers and mislead and willfully gave fraudulent statements to Labor Investigators 1-21-20 to this moment .

11 I would gladly give you the names but I'm not out to harm their families like they did mine.

12 Their response included statements that I forge legal documents

13 That I threatened Fellow employees and if seem the my piers should contact 911

14 They stated that I was harming clients who never complained and my license in California is valid yet.

15 I was just a criminal according to their statement.

16 I am deeply hurt by the all the fraudulent statements and worse My Mom passed away with the fraud that David,
17 Richard, Edgar and Kevin From the Los Angeles South Transform Sr Home Improvement Product LLC provided to
18 investigators in my case for retaliation and wage theft

19 And IF any would like to see how the New Entity Buyer behaves in the Cases that now are Dismissed or
20 Negligently decided That I did do these seriously criminal acts while I was caring for my Mom weekly . Selling
21 clients who I thought respected me for being so honest while the Transform broke the Law in California and if
22 they to challenge me I hope they do

23 I will prevail as they did commit fraud, lied to state investigators, willfully negate my wages after I am separated
24 from the company.

25 The Litigation and Management had me apologizing to my mom the last hours she was alive . And I will not
26 forget how they laughed about it sending me messages that I say are just a part of the preponderance of evidence
27 that I tried to submit to Labor officials in California who to today date Have protected their positions instead of
28 upholding the law. I am aware the debtor and their Counsel as I told them how transform used the Chap 11 us bk
code 362 in the response that transform legally provided to California Labor Board Directors who then just refuse
to do their sworn duty to preside impartially over hearings where after the response comes 1-21-20 for the 1st time
and I did state it is not correct. Then it come in a way I can re type as its already in my claim 245733 page 1 of
summary of Beau LeBaron who broke records in sales for the debtor and never was called close to what Transform
calls me . A common Criminal and willfully they mislead knowing full well they are committing fraud by stating I
threaten . was unprofessional and the worst was I alter legal documents added a 5 and scratched out a date

That may not seem much to Judge who I'm certain has seen a lot of things . But to me it is devastating and
impossible to explain as I was called the epitome of professionalism or I was a asset and also 1 of 4 meeting and

1 exceeding my requirements as per Kevin S my AGM who two to three weeks later text me while I was selling a
2 client yet another project that I resigned and I was no longer employed

3 Then the group zero out my wages and I have not been paid and this is all covered in the assumption agreement in
4 the docket in case 18-23538 o docket number 2456 and chapter 9.7 employment offer .

5 As well there is sentence that states the Debtor and Buy will resolve issue like mine that regarding wages and warn
6 act violations and perhaps violations or misuse of the US BK CODE 362 BY THE ENTITY BUYER IN A
7 CALIFORNIA UNRELATED TO THE THIS BK BUT RELATED BECAUSE THEY DO NOT FOLLOW THE
8 LAW IN CALIFORNIA

9 I WOULD LIKE TO POINT THERE IS A CLASS ACTION SETTLEMENT IN CALIFORNIA SUPERIOR
10 COURT IN SACRAMENTO HAGE VS TRANSFORM / SEARS AND I HOLD TWO EXCLUSION LETTERS
11 THAT ALLOW ME TO RETAIN MY RIGHT TO PURSUE THE DEBTOR AND ENTITY BUYER WHO DID
12 USE THIS COURT AND US BK CODE 362 SITING CASE 18-23537.

13 I AM ASKING THAT IF THERE IS ANY DAMAGES THAT I MAY FILE IN THIS VENUE WITH
14 REGARDS TO THE USE OF THE US BK CHAP 11 362 I RESPECTFULLY REQUEST THAT I BE
15 PROVIDED THE DOCUMENT NECESSARY. AS THE ACT DOES CLOSE MY CASE IN CALIFORNIA
16 AND I CAN AND WILL PROVIDE THAT PROOF AS WHY DID THE DIRECTORS SEND ME HERE. THE
17 BUYER AKA TRANSFORM CLAIMS PROTECTIONS

18 PLEASE TAKE NOTICE THAT I WILL NEVER BE ABLE TO CHANGE THE LAST MOMENTS OF MY
19 TIME WITH MY MOM JULY 15 2022 AND THE FACT THE BUYER TRANSFORM AND THE RESPONSE
20 THAT THEY WILLFULLY PROVIDE WHERE FRAUD IS USED TO AVOID PROSECUTION IN A
21 CALIFORNIA CASE HAS LEFT ME DAMAGED INJURED AND UNEMPLOYED AS HOW DO I TELL
22 FUTURE EMPLOYERS THAT I COMMITT A CRIME WHERE I HOLD THE EVIDENCE

23 DO NOT ALLOW THIS AS I BELEVE JURISDICTION IS IN YOUR COURT AS THE BUYER USES YOUR
24 COURT ORDERED USD BK CODE 362 IN SUCH A NEGLIGENT MISREPRESENTATION

25 I REQUEST THE COURT GIVE TRANSFROM WHAT THEY DESERVE

26 THEY SHOULD NOT GET AWAY WITH NOT PAYING AN EMPLOYEE WHO DID PERFORM AND WAS
27 PURCHASED AND SOLD TO BY THE DEBTOR WITH 361.0000 IN PROJECTS AND I AM PAID \$1400
28 DOLLARS

PLEASE TELL ME YOU WILL REMOVE THE BLOCK FROM CHAMBERS
PLEASE DO SEND ME PROOF FROM THE COURT TO ME SO I MAY PROVIDE THE CALIFORNIA
LABOR BOARD THE TRUTH THAT TRANSFORM COMMITTS FRAUD BY WILLFULLY STATED THEY
ARE THE DEBTOR IN CASE 18-23537 PAGE OF MY PAGE CLAIM 24733 FILED APRIL 13-2020
